To whom it may concern

Dear Friend,

Greetings from Philippine Amazing Facts Center of Evangelism (PAFCOE)!

PAFCOE is one of the global evangelism training centers of Amazing Facts Ministry. PAFCOE trains Seventh-day Adventist lay-members, officers, and pastors to do evangelism effectively. We are offering 2 courses: Full-Course and iPreach.

The Full-Course Course takes 4 months and is available for both Local and International Applicants. The first 3 months are in the classroom with subjects such as Public Evangelism, Child Evangelism, Personal Evangelism, Literature Evangelism, and Health Evangelism. The final month is an on-the-job training (OJT) where qualified students are sent to different parts of the Philippines to conduct a one-month prophecy seminar.

The iPreach Program is only available to Local Applicants who are able to come in person to the PAFCOE Campus every Sunday. For 13 consecutive Sundays, trainees will learn every aspect of Public Evangelism which prepares them to conduct their own 1-month prophecy seminar.

Visit [PAFCOE.org](https://www.pafcoe.org) for more info about PAFCOE and the courses that we offer.

This letter brings to you a request to sponsor a PAFCOE student. Most of the students who attend PAFCOE are unable to pay for the costs of their tuition. You can help sponsor a dedicated, faithful student, to receive four months of intense training in Biblical soul-winning principles, equipping them for a lifetime of service for God's kingdom! Graduates usually go out to become full-time Bible workers, lay pastors, lay evangelists, or missionaries after graduating from the training—meaning your support will directly lead to more souls for Jesus!

For your reference, a breakdown of the training cost follows...

## What happens when you sponsor a PAFCOE Applicant:

- If you sponsor a Full-course Trainee, PAFCOE will give you a chance to choose where one of our evangelistic teams will be assigned to conduct a one-month prophecy seminar. A PAFCOE evangelistic team is sent out with a ₱40,000.00 budget coming from our evangelism fund. When you consider this carefully, sponsoring a student through PAFCOE is like sponsoring a prophecy seminar for the Lord. The bonus is that you help train another evangelist who can conduct various types of evangelism until Jesus comes.
- If you sponsor an iPreach Trainee, you can ask the trainee to conduct his prophecy seminar wherever you want. However, PAFCOE does not provide an evangelism budget for iPreach participants. Nevertheless, an Adult Seminar box complete with Handouts, registration tickets, ballpens, etc. will be provided.
- You will be included in our mailing list so you can receive updates and reports from PAFCOE
- You become a priority when you request to hire Bible Workers from PAFCOE.
