To: Pastors, Elders, or the Church Board

Dear church leaders and brethren,

Greetings from Philippine Amazing Facts Center of Evangelism (PAFCOE)!

PAFCOE is one of the global evangelism training centers of Amazing Facts Ministry. PAFCOE trains Seventh-day Adventist lay-members, officers, and pastors to do evangelism effectively. We are offering 2 courses: Full-Course and iPreach.

The Full-Course Course takes 4 months and is available for both Local and International Applicants. The first 3 months are in the classroom with subjects such as Public Evangelism, Child Evangelism, Personal Evangelism, Literature Evangelism, and Health Evangelism. The final month is an on-the-job training (OJT) where qualified students are sent to different parts of the Philippines to conduct a one-month prophecy seminar.

The iPreach Program is only available to Local Applicants who are able to come in person to the PAFCOE Campus every Sunday. For 13 consecutive Sundays, trainees will learn every aspect of Public Evangelism which prepares them to conduct their own 1-month prophecy seminar.

Visit PAFCOE.org for more info about PAFCOE and the courses that we offer.

This letter brings to you a proposal:

PAFCOE invites your church to sponsor a dedicated, determined, and faithful member/officer of your church to be trained in PAFCOE's **Full-course Program or iPreach Program**.

PAFCOE will:

- **Train** your sponsored applicant for 3 months for Full-course or 13 Sundays for iPreach.
- **Send** the trainee back* to your church to conduct a one-month prophecy seminar.
- **For Full-course Trainees, PAFCOE will release a ₱40,000.00 budget for a 1-month Prophecy Seminar** that will be hosted by your church (if your church is outside the Philippines, you can choose where your sponsored trainee will be deployed within the Philippines). Following are some clarifications regarding the seminar budget:

- **The budget will only be released to trainees who will qualify for OJT.** To qualify for OJT, your trainee must have a satisfactory grade on all subjects and conduct evaluation and pass the preaching practice evaluation. If your sponsored trainee will not qualify, no budget will be sent with the trainee. Make sure that you sponsor someone who is faith, dedicated, and diligent.
- The ₱40,000.00 budget from PAFCOE is not the money you gave to sponsor your student. Your sponsorship money is mostly consumed already by OJT time because a huge part of the tuition is intended for your trainee's food throughout the training duration.
- Rather, the fund will come from donations intended for Amazing Facts Philippines evangelism only. Therefore, **any remaining funds from the ₱40,000.00 pesos budget must be returned by the student to PAFCOE.**
- The budget should only be used for the prophecy seminar concerns (Interest fare, rent, etc.). **The fund should not be used to buy equipment for the church.**
- Around 40% of the Seminar Budget will come in the form of **Seminar Materials** while the rest will be available in cash.
- **For iPreach Trainees, PAFCOE will NOT release a prophecy seminar budget.** What will be provided is an Adult Seminar Box containing handouts, registration tickets, ballpens, and other materials needed for a Prophecy Seminar.

Your church will:

- **Pay** at least the TUITION FEE
- **Do groundwork and prepare to host** a prophecy seminar.
- **Encourage** the sponsored student to do well in the training.

When you consider this carefully, **sponsoring someone to PAFCOE is like sponsoring a prophecy seminar for your church.** The bonus, after 4 months, is that **your church will have its own certified evangelist** who can conduct various types of evangelism until Jesus comes.

For your reference, a breakdown of the training cost follows...
